VISION – Future Ready

With the changing parameters of success in the 21st century, VERITAS is committed to putting the child at heart of learning, where a Pupil can develop qualities of Body, Mind and Character, enabling the students of today to become transformational Leaders of Future.

MISSION – The Epitome of Excellence

At Veritas, we understand that it's the nature of every child to enthusiastically question everything and therefore we use the inquiry based learning method of teaching. By emphasizing on child's physical, cognitive and emotional needs, we intend to create an environment which can have a positive impact on the all-round development of a child, making them leaders of the future
